Short title.

2. (1) Without prejudice to any other law authorising any expenditure, the expenditure of the Government which it is estimated will be rupees three hundred and sixty five thousand two hundred and twenty one million eighty two thousand for the services of the period beginning on January 1, 2001 and ending on December 31, 2001, in this Act referred to as the "financial year 2001", shall be met—

Appropriation for financial year, 2001.

- (a) from payments which are hereby authorised to be made out of the Consolidated Fund or any other fund or moneys of, or at the disposal of, the Government ; and

3. (1) The receipts of the Government during the financial year, 2001, from each activity specified in column I of the Second Schedule to this Act shall be credited to the account of such activity, but the aggregate of receipts so credited shall be not less than the minimum limit specified in the corresponding entry in column III of that Schedule. The net surplus, if any, of such activity, shall be paid to the Consolidated Fund before the expiry of six months after the close of the financial year, 2001.

(2) For the purpose of determining the net surplus under subsection (1), the following charges shall be set off against the revenue of each activity —

- (b) the minimum limits specified in column III of the Second Schedule to this Act.

(2) No Order made under subsection (1) of this section shall have effect unless it has been approved by Parliament, by resolution.
