BE it enacted by the Queen's Most Excellent Majesty, by and with the advice and consent of the Senate and the House of Representatives of Ceylon in this present Parliament assembled, and by the authority of the same, as follows:—

1. This Act may be cited as the Conversion of Estate Roads into Public Roads Act, No. 18 of 1956.

Short title.

## PART I.

### PUBLIC ROAD ORDERS.

2. (1) Where the Minister decides that any estate road should, in the public interest, be compulsorily converted into a public road, the appropriate road authority shall by written order, hereinafter referred to as a "public road order",—

Public Road Orders.

(a) declare—

(i) that such estate road shall be a public road; and

(ii) if any estate land is required for the purpose of the widening, extension or diversion of such road, that such estate land shall be a road reservation for that purpose; and

(b) determine, after consultation with the Director of Public Works, whether the responsibility for the maintenance of that road shall be imposed on the Public Works Department or the owner or owners of the estate affected by the order.

(2) The declaration made under paragraph (a) of sub-section (1) is hereinafter referred to as a "public road declaration".

(3) Where a public road order is made, the appropriate road authority shall cause to be sent by registered post—

(a) to the person for the time being in charge of the estate affected by that order, and

(b) to the owner or each owner of such estate if he is a resident of Ceylon and his address is known,

a copy of that order certified under the hand of such road authority and a written notice specifying the period within which the owner or any owner of such estate may appeal from the public road declaration made by that order to the Board of Review. Such period shall not be less than twenty-one days.

(4) A public road order shall not be in operation during the time allowed for the making of an appeal from the public road declaration made by that order. Where no appeal from that declaration is made within the time allowed therefor, that order shall come into operation on the expiry of that time, and where such an appeal is disallowed, that order shall come into operation on the day immediately following the date on which the appeal is disallowed.

(5) A public road order which is in operation shall have the force of law.

Appeal from a  
public road  
declaration.

3. Where a public road declaration is made by a public road order in respect of an estate road or an estate land, the owner or any owner of the estate to which that road or land belonged immediately before that order may, within the period specified in the notice under section 2, appeal from that declaration to the Board of Review.

Effect of a  
public road  
order.

4. (1) An estate road which is declared by a public road order to be a public road shall, when that order comes into operation, be deemed to be required for a public purpose, and may be acquired by the Government under the Land Acquisition Act, No. 9 of 1950. No such estate road shall, notwithstanding anything in any other written law, be the property of the Crown until it is so acquired.

(2) An estate land which is declared by a public road order to be a road reservation shall, when that order comes into operation, be deemed to be required for a public purpose, and may be acquired by the Government under the Land Acquisition Act, No. 9 of 1950.

(3) The responsibility for the maintenance of an estate road which is declared by a public road order to be a public road shall, when that order comes into operation, be as determined by that order.

*Act, No. 18 of 1956*

5. (1) As soon as possible after an estate road becomes a public road by virtue of a public road order, the appropriate road authority shall, after such inquiry as that authority may deem necessary, determine—

- (a) whether, in consequence of the conversion of that estate road into a public road, the owner or owners of the estate affected by that order will have to take measures for the prevention of loss or damage to that estate and, if so, the amount which shall be paid by that authority as the reasonable cost of taking such measures, and
- (b) where that estate is owned by more than one person, the apportionment of that amount to the owners of that estate.

Determination of the question whether protective measures are required in respect of an estate affected by a public road order and, if so, their reasonable cost, and the tender and payment thereof.

A determination under this sub-section is hereinafter referred to as a “determination of protective measures”.

(2) Where a determination of protective measures is made in respect of an estate, the appropriate road authority shall cause written notice of that determination to be sent by registered post—

- (a) to the person for the time being in charge of that estate, and
- (b) to the owner or each owner of that estate if he is a resident of Ceylon and his address is known.

The notice shall specify the period within which the owner or any owner of that estate may appeal from that determination to the Board of Review. Such period shall not be less than twenty-one days.

(3) Where a determination of protective measures is made in respect of an estate, the owner or any owner of that estate may, within the period specified in the notice under sub-section (2), appeal from that determination to the Board of Review.

(4) Where a determination of protective measures specifies an amount to be paid by the appropriate road authority to the owner or owners of an estate, that authority shall—

- (a) if no appeal from that determination is made to the Board of Review within the time allowed therefor by this Act or if such an

appeal is disallowed by that Board, tender to such owner or each such owner the amount to which he is entitled under that determination, and

(b) if an appeal from that determination is allowed by that Board, tender to such owner or each such owner the amount to which he is entitled under the fresh determination made in appeal by that Board, and shall pay the tendered amount to the person to whom it is tendered if he consents to receive it.

Determination of Government's contribution to cost of maintenance of a road which becomes a public road by virtue of a public road order.

6. (1) Where the responsibility for the maintenance of a public road is imposed on the owner or owners of any estate by any public road order, the appropriate road authority shall, after consultation with the Director of Public Works, determine—

(a) what portion of the cost of such maintenance shall be paid from time to time to such owner or owners by the Director of Public Works, and

(b) where that estate is owned by more than one person, the apportionment of the Government's contribution to the owners of that estate.

(2) The Government's contribution under this Act to the cost of maintenance of a road may be increased or reduced from time to time by the appropriate road authority, after consultation with the Director of Public Works, by a fresh determination made either of his own motion or on application made in that behalf by the owner or any of the owners of the estate on whom the responsibility for the maintenance of that road is imposed under this Act.

(3) Where the appropriate road authority determines the Government's contribution under this Act to the cost of maintenance of a road, he shall cause written notice of the determination to be sent by registered post—

(a) to the person for the time being in charge of the estate on the owner or owners of which the responsibility for the maintenance of that road is imposed under this Act, and

(b) to such owner or each such owner if he is a resident of Ceylon and his address is known.

*Act, No. 18 of 1956*

If the determination does not increase the amount of the Government's contribution, the notice shall specify the period within which the owner or any owner of such estate may appeal from the determination to the Board of Review. Such period shall not be less than twenty-one days.

(4) Where a determination of the Government's contribution under this Act to the cost of maintenance of a road, other than a determination increasing the amount of such contribution, is made, the owner or any of the owners of the estate on whom the responsibility for the maintenance of that road is imposed under this Act may, within the period specified in the notice under sub-section (3), appeal from that determination to the Board of Review.

(5) The determination of the Government's contribution under this Act to the cost of maintenance of a road shall,—

(a) if no right of appeal to the Board of Review from that determination is conferred by sub-section (4) or if no such appeal is made within the time allowed therefor by this section or if such an appeal is disallowed by that Board, have effect, and

(b) if an appeal from that determination is allowed by that Board, be superseded by a fresh determination of such contribution made in appeal by that Board.

7. (1) Where the responsibility for the maintenance of a road is imposed under this Act on the owner or owners of an estate, the Director of Public Works shall cause a written notice to be sent by registered post to the person in charge of that estate directing him to carry out, within the time specified in the notice, such work connected with the maintenance of that road as is so specified, and shall cause a copy of the notice to be sent by registered post to the owner or each owner of that estate if he is a resident of Ceylon and his address is known.

(4) Where any sum payable to the Director of Public Works under sub-section (3) by the owner or owners of an estate is not paid within the time allowed by such Director, then such Director or any person authorised by him in writing in that behalf may seize and sell the produce of, and any movable property belonging to, that estate, and such Director shall cause the aforesaid sum and the expenses incurred in connection with the seizure and sale to be deducted from the proceeds of the sale and the balance of such proceeds to be returned to such owner or owners.
