## COMPULSORY INSURANCE OF CROPS.

Specified

specified  
areas.

7. (1) The Minister may from time to time by Order published in the *Gazette* determine the crop or crops in respect of which, and the area or areas in which, there shall be compulsory insurance as provided in this Act against loss of such crop or crops.

(2) Each crop and each area determined by Order made and published under sub-section (1) is hereafter in this Act referred to respectively as a "specified crop" and a "specified area".

Determination  
of insurable  
acreage and  
persons  
entitled to  
the specified  
crops on such  
acreage, and  
appeals from  
such  
determination.

8. (1) Subject to the provisions of sub-section (3), a Deputy Commissioner or the Senior Assistant Commissioner or any other officer authorised in that behalf by the Commissioner shall, in regard to each specified area, determine—

(a) the total extent of land bearing each specified crop, and

(b) the persons who, whether as owners or as tenants, are entitled to the whole or any part of the specified crop on such extent, and their respective shares of such crop:

Provided that where according to a determination made under section 22 of the Paddy Lands Act, No. 1 of 1958, the rent payable for any extent of paddy land is a portion of the total yield of paddy from that extent, the owner's share of the paddy crop from such extent shall be determined under the preceding provisions of this sub-section to be such portion, and the tenant's share of such paddy crop shall be determined under the preceding provisions of this sub-section to be the portion of such paddy crop remaining after deduction therefrom of the owner's portion.

(2) Any such total extent of land bearing any specified crop as is determined under paragraph (a) of sub-section (1) in respect of any specified area is hereafter in this Act referred to as the "insurable acreage" in respect of that crop in that area.

(4) A Deputy Commissioner or the Senior Assistant Commissioner or any other officer authorised in that behalf by the Commissioner shall notify the determination made under sub-section (1) in such manner as he may consider expedient to the persons affected by such determination.

(5) Any person who is affected by a determination made under sub-section (1) may, if he is aggrieved by that determination, make a written appeal from such determination to the Commissioner within fourteen days after such determination is notified to him under sub-section (4). (b) the insurance unit of such tenant or each such tenant shall be the area of which he has a tenancy :

Provided that where in respect of any land in any insurable acreage there are a tenant and one or more sub-tenants, then, for the purposes of the preceding provisions of this sub-section, the person entitled to receive the rent from the sub-tenant who is the cultivator of that land shall be deemed to be the owner of that land and such cultivator shall be deemed to be the tenant of that land, and accordingly the insurance unit of each of the persons so deemed to be owner and tenant shall be such land.

insurance  
of specified

Provided that any such co-owner who cultivated an insurance unit in the 1958-1959 Maha season shall, notwithstanding that the whole or part of such season has elapsed, be deemed to have entered into a contract of insurance for that season with the Commissioner.

(4) A Deputy Commissioner or the Senior Assistant Commissioner or any other officer authorised in that behalf by the Commissioner may exempt any person from the provisions of sub-section (1) or sub-section (3).

Term of  
Insurance.

12. (1) The first term of insurance shall be three years reckoned from the date of commencement of the 1958-1959 Maha season notwithstanding that the whole or any portion of such season has already elapsed

when such term of insurance applies to any specified area, and every other term of insurance shall be determined by the Minister by Order published in the *Gazette*:

Provided that in the case referred to in sub-section (3) of section 11, a term of insurance shall consist of a season.

(2) The Assistant Commissioner of an Administrative District in which a specified area wholly or mainly lies shall, at least thirty days before the commencement of each term of insurance, notify the period constituting such term to the owners and tenants of the lands constituting the insurable acreage in that area. Where a term of insurance is once notified, no further notification shall be made until that term is altered:

Provided that the preceding provisions of this sub-section shall not apply in regard to the first term of insurance referred to in sub-section (1):

Provided further that where a term of insurance consists of a season and a part of that season has already elapsed in any specified area when that area is determined under section 7, then, in lieu of the thirty days' notice referred to in the preceding provisions of this sub-section, notice of the period constituting the term of the insurance shall be given forthwith after the determination of the specified area.

13. (1) The Commissioner shall issue to every person who is deemed to have entered into a contract of insurance with him under this Act an insurance policy in such form as he may determine.

Duration of  
cover of  
insurance.

14. (1) An insurance policy issued under section 13 in respect of any insurance unit shall be deemed to cover such unit during the period of cultivation in each season in the term of the insurance:

Provided that where any specified crop is cultivated in any specified area during the Maha season and the Yala season, the expression "each season" occurring in the preceding provisions of this sub-section shall, in the application of those provisions to an insurance policy issued under section 13 in respect of an insurance unit wholly or mainly situated in that specified area, be deemed not to include the Yala season if it is so determined by the Minister by order made under sub-section (2).

(2) The Minister may, before the commencement of a term of insurance for any specified area in which any specified crop is cultivated during the Maha season and the Yala season, declare, by Order published in the *Gazette*, that the expression "each season" occurring in sub-section (1) shall, in the application of that sub-section to an insurance policy issued under section 13 in respect of an insurance unit wholly or mainly situated in that specified area, be deemed not to include the Yala season:

Provided that where the first term of insurance referred to in sub-section (1) of section 12 is applicable to any specified area, such declaration may be made by the Minister forthwith after the date of application of that term to that specified area.

(3) A Deputy Commissioner or the Senior Assistant Commissioner or any other officer authorised in that behalf by the Commissioner shall determine the cultivation period for each specified area in respect of each

season, and shall notify, in such manner as he may consider expedient, the determination to the owners and tenants of the lands constituting the insurable acreage in that area. A Deputy Commissioner or the Senior Assistant Commissioner or any other officer authorised in that behalf by the Commissioner may amend a determination in force under this sub-section, and any such amendment shall be notified in like manner as the determination to which the amendment relates and shall take effect from the season succeeding that in which the amendment is made.

15. (1) The Commissioner shall determine, and may from time to time alter, the amount of the premiums to be paid for insurance policies issued under this Act.

~~Premiums.~~

(2) The Commissioner may fix different amounts of premiums for different specified areas or for portions of the same specified area.

(3) Where any land referred to in sub-section (4) of section 8 is included in an insurable acreage, the amount of the premiums fixed by the Commissioner for insurance policies issued under this Act in respect of that land may be higher than in any other case.

(4) The amount of a premium in respect of an insurance policy issued under this Act may, according as the Commissioner may decide, be paid—

(a) in money, or

(b) in a quantity of the insured crop, the value of which is equal to the amount of the premium, such value being computed according to the price for the time being of such crop under the Guaranteed Price Scheme, if that Scheme applies to such crop, or, if that Scheme does not apply to such crop, according to such average of the market prices of the insured crop during the three years immediately preceding the year in which the premium is payable as may be determined by the Commissioner.

(5) The premiums in respect of an insurance policy issued under this Act shall be paid, within the time allowed therefor in such policy, to the local insurance agent.

(6) The Commissioner shall notify to the owners and tenants of lands constituting an insurable acreage in a specified area the local insurance agent or agents in respect of that area.

Apportionment  
of liability  
to pay  
premiums.

16. Where two or more persons are jointly the insured under an insurance policy issued under this Act, the liability to pay the premiums in respect of such policy shall be apportioned by the Commissioner among those persons in proportion to their respective shares of the insured crop.

Interest  
payable on  
premiums.

17. If a person who is liable to pay the whole or any part of any premium in respect of any insurance policy issued under this Act fails to pay, within the time allowed therefor in that policy, the amount payable by him, he shall be liable to pay interest on that amount at six per centum per annum.

The amount of  
a premium in  
default may  
be recovered  
in like  
manner as  
a debt due  
to the Crown,  
and may be  
deducted from  
certain sums  
due to the  
defaulter.

18. (1) If a person who is liable to pay any sum as the whole or a part of a premium in respect of any insurance policy issued under this Act fails to pay that sum within the time allowed therefor in that policy, that sum shall be deemed to be in default and, together with the interest payable thereon under section 17,—

(a) may be recovered in like manner as though it were a debt due from him to the Crown,

(b) may, where the Guaranteed Price Scheme applies to the specified crop to which the insurance policy relates, be deducted from any sum due to him as the price of any quantity of that specified crop purchased from him under that Scheme by or on behalf of the Commissioner, or

(c) may, where such person is the landlord of any extent of paddy land to which the Paddy Lands Act, No. 1 of 1958, applies, upon a request being made in that behalf by the Commissioner to the Cultivation Committee within whose local jurisdiction such extent wholly or mainly lies, be recovered for the Commissioner by that Cultivation Committee by deducting such sum and interest from the rent due to such person in respect of such extent.

(2) Where a Cultivation Committee is requested by the Commissioner under sub-section (1) to deduct any sum from the rent payable in respect of any extent of paddy land, the provisions of sub-section (3) of section 25 of the Paddy Lands Act, No. 1 of 1958, shall apply in respect of such deduction as if such Cultivation Committee were empowered by that Act to make such deduction.

(3) In this section, the expressions "Cultivation Committee", "landlord" and "paddy land" have the same meaning as in the Paddy Lands Act, No. 1 of 1958.

19. The Commissioner may, if sufficient funds have accumulated by receipt of premiums, allow a person who is liable to pay the whole or any part of a premium in respect of an insurance policy issued under this Act such rebate in respect of that amount as shall be determined by the Commissioner if no claim to indemnity under that policy has been made during the preceding three years or the aggregate amount of indemnity paid under that policy during those years is inconsiderable in the opinion of the Commissioner.

- (ii) the loss is such that the aggregate yield of such crop from such insurance unit for that season is less than seventy per centum of the average yield of such crop for that season from the specified area in which such insurance unit is wholly or mainly situated, such average yield being determined by the Commissioner, and

(b) unless the loss occurs at such a stage that there is no time to raise on the insured extent of land a fresh crop of the same kind as the damaged crop.

of specified  
crops to be

indemnity.

22. (1) Where the loss of any specified crop is notified under section 21, the holder or holders of the insurance policy relating to such crop may prefer a written claim to indemnity in respect of such loss to the Assistant Commissioner of the Administrative District in which the extent of land to which such policy relates is wholly or mainly situated, and upon receipt of such claim that Assistant Commissioner shall transmit it, together with his report thereon, to a Deputy Commissioner or the Senior Assistant Commissioner or any other officer authorised in that behalf by the Commissioner.

- (b) in the case of a partial loss of the crop, in proportion to the extent of the loss and according to the stage of production at which the loss occurs.

25. The amount of indemnity payable for each acre in the case of the loss of any specified crop in any season shall not exceed the value of fifty per centum of the average yield of that crop during that season in areas in which productivity and risk are similar to those in the area in which that acre lies, such value being computed according to the price for the time being of such crop under the Guaranteed Price Scheme, if that Scheme applies to such crop, or, if that Scheme does not apply to such crop, according to the average of the market prices of such crop during the three years immediately preceding the year in which the loss occurs: Maximum amount of indemnity.

Provided that, where the Commissioner is satisfied that any insured follows methods of farming approved by the Commissioner, the preceding provisions of this section shall, in their application to such insured, have effect as if for the words "fifty per centum" occurring in those provisions there were substituted the words "sixty per centum".

26. (1) Where a Deputy Commissioner or the Senior Assistant Commissioner or any other officer authorised in that behalf by the Commissioner rejects a claim to indemnity under an insurance policy issued under this Act, the claimant may, within thirty days after the communication to him of the decision to reject such claim, make a written appeal from such decision to the Commissioner. 30. Where any person is entitled to any indemnity payable under an insurance policy issued under this Act and the Commissioner is satisfied that any sum is due from that person to a co-operative society in repayment of the whole or any part of a loan granted by such co-operative society to that person or in payment of any interest on that loan, the Commissioner may cause the sum due to such co-operative society to be deducted from the amount of such indemnity and to be remitted to such co-operative society.
