# 'PART IIIA

## POWERS OF MEDICAL COUNCIL

Power of persons authorized by the Medical Council to enter and make inquiries at recognized universities and institutions.

19A. (1) Any person authorised in writing by the Medical Council may, after giving not less than two week's notice in writing, enter a recognized university or institution and make such examinations and investigations thereon and such inquiries of the members of the relevant faculty, as may be necessary for the purpose of ascertaining whether—

(a) courses of study provided by such university or institution leading to the grant or conferment of a medical qualification,

(b) the degree of proficiency required at examinations held by such university or institution for the purpose of granting or conferring any such qualification,

(c) the staff, equipment, accommodation and facilities provided by such university or institution for such course of study,

conform to the prescribed standards.

(2) The Vice-Chancellor or Head of a recognised university or institution and the members of the relevant faculty shall afford all such facilities as may be required by the person referred to in subsection (1) for the purpose of making all such examinations, investigations and inquiries as are referred to in that subsection.

(3) Where any person authorized by the Medical Council under subsection (1) makes any such examination, investigation or inquiry as is referred to in that subsection he shall make a report of his findings to the Council.

(4) Every person authorized by the Medical Council under subsection (1) and exercising the powers conferred on such person by that subsection shall be deemed to be a public servant within the meaning of the Penal Code.

Power of Medical Council to require recognized universities and institutions to furnish information.

19B. The Medical Council may in writing direct the Vice-Chancellor or Head of a recognized university or institution to furnish it within the time specified in such direction, such information or explanation as the Council may require in respect of the matters referred to in paragraph (a) of section 19A and the Vice-Chancellor or Head of a recognized university or institution as the case may be, shall comply with such requirements.

Power of Medical Council to recommend withdrawal of recognition of qualifications granted by recognized universities or institutions.

19c. (1) Where the Medical Council is satisfied, on a report made to it under subsection (3) of section 19A or any information furnished to it under section 19B that the courses of study provided by a recognized university or institution leading to the grant or conferment of a medical qualification or the degree of proficiency required by such university or institution at any examination held for the grant or conferment of any such qualification or that the staff, accommodation and equipment provided by such university or institution for the purpose of such course of study, do not conform to the prescribed standards it may recommend to the Minister that such qualification shall not be recognized for the purpose of registration under this Ordinance.

(2) Upon receipt of a recommendation under subsection (1) in respect of a recognized university or institution, the Minister shall send a copy of such recommendation to such university or institution and invite it to make its comments thereon within a specified period.

(3) Where the Minister is satisfied, after examining the comments, if any, made under subsection (2) by a university or institution, and after making such further inquiry as he considers necessary, that—

(a) the course of study provided by such university or institution leading to the grant or conferment of a medical qualification,

(b) the degree of proficiency required at examinations held by such university or institution for the grant or conferment of such qualification, or

(c) the staff, equipment, accommodation and facilities provided by such university or institution for such course of study,

do not conform to the prescribed standards, he shall, declare by regulation, that any provision of this Ordinance which enables the holder of that qualification to be registered under this Ordinance shall cease to have effect in relation to such university or institution or in relation to any institution affiliated to such university, from such date as is specified in such regulation.

**Inquiries.**

19b. (1) The Minister may on receipt of a complaint in that behalf, direct any person to inquire into the affairs of the Medical Council and the performance by it, of its duties under this Ordinance.

(2) Where such inquiry as is referred to in subsection (1) is held, every member of the Medical Council, and every member of the staff of the Medical Council shall upon being requested to do so by the person holding the inquiry, furnish such information within his knowledge with regard to the work and affairs of the Medical Council and produce such registers or documents in his custody, as that person may require.

**Interpretation.** 19E. In this Part of this Ordinance—

“recognized university or institution” means any university or institution which grants or confers a medical qualification;

“medical qualification” means any qualification which entitles the holder to be registered under this Ordinance.”
